# Corporate Website

## Duration

1. Project Man Hours: 352 Man Hours
2. Project lifecycle: 44 Days

## Results Achieved

Project has been completed successfully and currently run in staging server.

The screenshot displays the Winchart corporate website. At the top, the Winchart logo (a blue stylized 'W' above the text 'winchart INTEGRATING HEALTHCARE') is on the left, and a search bar with a magnifying glass icon is on the right. Below the logo is a horizontal navigation menu with links: HOME, COMPANY, PRODUCTS, SUPPORT SERVICES, and CONTACT US. The main hero section features a large image of two women in a clinical setting, with the text 'Winchart Support' and 'Unprecedented support ensures complete customer satisfaction'. Below this is a section titled 'About Winchart' with a paragraph of text and a 'Take a Tour of the Winchart Software' button with a play icon. The bottom section is a grid of 12 product modules, each with an icon, title, description, and a 'Read more' link. The modules are: Informed Consent, OR Manager, PreOp, IntraOp, OpSys, Timeline, Console, PACU, ICU, Acute Pain Service, CARM, and Admin.
